

Crystal Palace Open

Dear Archer,

Currently there are planned roadworks (SGN) blocking Wickham Way and St Dunstons Lane. If you travel south down Wickham Way past the road closed signs you will probably need to turn right into Brabourne Rise, then right into Elwill Way, then right into Barnfield Wood Road then right and left at the roundabout into Hawksbrook Lane.

We have lots of entries so to make everybody's life easier we would ask that you enter the range from the small mini roundabout at the junction of Barnfield Wood Road and Wickham Way

Do not attempt to come in from South Eden Park Road as there are several steel bollards in the way!

Drive down Hawksbrook Lane and follow along to the right into St. Dunstan's Lane. Turn sharp right and the car parks are on the right hand side. The first one is for drop off, disabled archers and officials only. The second car park on the right and the third are all ours and can be used but please park tidily. There is a path from the first and third car parks on to the range. **See map on next page!**

Only Guide dogs are allowed on to the range.

*Please remember that this is a Record Status event and all that is implied including drug testing (if asked!!) and dress regulations. Please do not try and shoot in denim jeans etc. If in doubt ask your club for advice. **Equipment inspection will also take place as is now required.***

Food and drink will be available all day from our own caterers.

If you have any questions, contact the tournament organiser by email or by phone on 020 8460 4542.

Thank you for entering our shoot and do have a good day.

Route in from Wickham Way

Access to range from car parks
