While alot of you bums were swanning off to Dunster, Brian and Sheelagh, Bill and Deidre, John Slee and myself descended once again on the verdant plains of Lamorby Park to partake of the twilight shoot.

For the uninformed this is one of the fun shoots of the season, consisting of two rounds of field shooting at 10 animal targets during the afternoon. Last year wasn't too bad, but this year a lot of rough ground has been cleared, so our friendly boy in blue Ted Brown selected some dastardly pitches in amongst the trees and shrubbery (if the animals had been real - we'd have all starved to death).

Having laughed and cursed you're way round that its quick change to target shooting and 3 dozen at 30 yards on a 60cm face. After that its a mad dash inside for a salad supper and the raffle (Brian, Sheelagh and myself were successful - we got raffle prizes and some supper too) Following supper, when its pitch dark outside the top 2 men and women shoot 6 arrows at targets lit by car head lamps to decide the winner.

Last year Sheelagh won the field shoot and Deirdre won the twilight, but they didn't this year so I'm not really interested who carried off the laurels.
